Willan
Live better

Willan High Quality LED Bulb

delivers up to 80% energy savings with consistent brightness and dependable, long-lasting performance. Engineered for a lifespan of up to 20,000 hours and designed for stable operation within a 220–240V voltage range. Available in 5W–20W variants with 6000K daylight and 3000K warm light options, compatible with both screw (E27) and pin (B22) fittings.

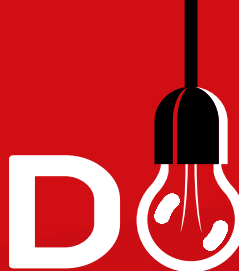

Willan Candle LED Bulb

combines elegant design with efficient, reliable performance, delivering up to 80% energy savings and consistent illumination. Engineered for a lifespan of up to 20,000 hours and stable operation within a 220–240V voltage range. Available in 3W and 5W options with 6000K daylight and 3000K warm light variants, compatible with both screw (E27) and pin (B22) fittings.

Willan Emergency LED Bulb

delivers up to 80% energy savings with consistent brightness and dependable performance. Equipped with a built-in backup battery, it continues to provide light even during power cuts, ensuring uninterrupted illumination when mains power is unavailable. Engineered for a lifespan of up to 20,000 hours and stable operation within a 220–240V voltage range. Compatible with both screw (E27) and pin (B22) fittings.
